paul delaroche s works were heralded as masterpieces in the nineteenth century and the man himself was lauded in 1853 by one italian critic as at the summit of all living painters but while his paintings themselves are still familiar to many delaroche the artist fell into almost total obscurity during the twentieth century stephen bann addresses this lacuna in art scholarship presenting an in depth examination of delaroche s career bann situates delaroche and his wide ranging oeuvre in the context of

early nineteenth century visual culture from his early historical paintings to experimental pieces influenced by photography the book analyzes each stage of delaroche s artistic development as well as his major masterpieces such as the execution of lady jane grey and the princes in the tower bann also analyzes the numerous reproductions of delaroche s works in a variety of visual mediums including engravings by mercuri and henriquel dupont lithographs popular prints and the photographs that illustrated delaroche s first retrospective catalog an unparalleled and lushly illustrated study paul delaroche restores a neglected master to his rightful place in nineteenth century european art

paul delaroche painting and popular spectacle explores the connections between painting and an emergent popular visual culture in the early nineteenth century which included new forms of optical entertainment such as panoramas and dioramas and innovation in fields such as illustration art reproduction and stage decor delaroche s paintings caused a sensation at the paris salon with critics comparing the emotional response they elicited to that of popular melodrama yet his appeal to a certain type of spectator lay behind the increasingly hostile criticism to which his works were subjected and has in our own time led to his uncertain status in the art historical canon this book focuses on delaroche s popularity with a newly expanded audience lacking in specialist knowledge but nevertheless keen to engage with and deeply affected by art the behaviour of this new public prompted lively discussions about who has the right to judge art and on what grounds working across disciplinary boundaries this book proposes a new reading both of delaroche and of the connections between the arts in this period the artist emerges as a figure at the cutting edge of an emergent trans medial popular visual culture in which we see the formation of modern spectatorship

the dominant visual language of european painting from the renaissance to the nineteenth century history paintings were formidable in their monumental scale ambitious moral lessons and intricate narratives with the rise of modernist avant gardes the genre receded from the forefront of artistic production into the realm of nostalgia yet history painting cast a shadow that would subtly colour even the works that sought to displace it exploring the resilience of this distinctive mode of visual representation what was history painting and what is it now brings together an internationally distinguished group of scholars to trace the endurance adaptation and mutation of history painting these studies offer a reexamination of the fortunes of the genre from north america to europe and africa organized around illuminating themes the book explores the creation of an audience attuned to the genre s didactic aims the entry of history painting into the marketplace of commercial art and attractions and the reimagination of the mode in response to the edicts of modern and contemporary art spanning the full range and diversity of history painting this collection is a broad reconsideration of the tradition and the vibrant ways in which it resonates through the art of the present

this book presents the execution of lady jane grey with other major history paintings and preparatory sketches that made delaroche's reputation during his lifetime the authors also discuss varied visual and cross cultural influences such as popular prints and theatre on his particular approach to depicting english history other inspirations are outlined including the recent discovery that the probable model for lady jane grey was a well known parisian actress thus shedding further light on delaroche's interest in theatre this study is complemented by an essay by john guy the distinguished tudor historian who outlines the short life of lady jane grey queen of england for nine days and the development of her enduring mythical status as an innocent martyr exhibition national gallery london 24 february to 23 may 2010

paul delaroche was a hugely popular painter during his lifetime first making his name with a series of historical scenes which enjoyed great acclaim at the paris salon his renown extended far beyond his native country honored by almost every major academy his pictures were sought by collectors in britain germany and russia one of his british patrons richard seymour conway 1800-1870 4th marquis of hertford acquired ten of his oil paintings and two watercolors this group one of the most extensive outside france is in the wallace collection which houses lord hertford's collections in what was once his london residence curator stephen duffy discusses in detail the twelve works and in an introductory essay examines the life and career of the artist on whom there will be also an exhibition at the national gallery london 2010

in this researched book billie melman takes us on a voyage of the culture of history which developed in england after the french revolution exploring the production of english pasts the multiplicity of their representations and the myriad ways in which the english looked at history she reveals how during the nineteenth century the most popular longest enduring and most highly commercialized images of the past represented it as dangerous disorderly and violent book jacket

in 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century the encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of romantic and romanticism

art theatre and opera in paris 1750-1850 exchanges and tensions maps some of the many complex and vivid connections between art theatre and opera in a period of dramatic and challenging historical change thereby deepening an understanding of familiar and less familiar artworks practices and critical strategies in the eighteenth and nineteenth centuries throughout this period new types of subject matter were shared fostering both creative connections and reflection on matters of decorum legibility

pictorial and dramatic structure correspondances were at work on several levels conception design and critical judgement in a time of vigorous social political and cultural contestation the status and role of the arts and their interrelation came to be a matter of passionate public scrutiny scholars from art history french theatre studies and musicology trace some of those connections and clashes making visible the intimately interwoven and entangled world of the arts protagonists include diderot sedaine jacques louis david ignace eug marie degotti marie malibran paul delaroche casimir delavigne marie dorval the bleeding nun from lewis s the monk the com e fran se and etienne jean del uze

this handbook brings together leading historians of the events surrounding the english revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of the each of the three kingdoms england scotland and ireland it captures a shared british and irish history comparing the significance of events and outcomes across the three kingdoms in doing so the handbook offers a broader context for the history of the scottish covenanters the irish rising of 1641 and the government of confederate ireland as well as the british and irish perspective on the english civil wars the english revolution the regicide and cromwellian period the oxford handbook of the english revolution explores the significance of these events on a much broader front than conventional studies the events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression the contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis the handbook goes on to explore the long term legacies of the crisis in the three kingdoms and their impact in a wider european context

paul delaroche was a french painter who achieved his greater successes painting history he became famous in europe for his melodramatic scenes that often portrayed subjects from english and french history delaroche aimed to depict his subjects and history with pragmatic realism delaroche was born into a generation that saw the stylistic conflicts between romanticism and davidian classicism davidian classicism was widely accepted and enjoyed by society so as a developing artist at the time of the introduction of romanticism in paris delaroche found his place between the two movements subjects from delaroche s medieval and sixteenth and seventeenth century history paintings appealed to romantics while the accuracy of information along with the highly finished surfaces of his paintings appealed to academics and neoclassicism delaroche s works completed in the early 1830s most reflected the position he took between the two movements and were admired by contemporary artists of the time the execution of lady jane grey 1833 was the most acclaimed of delaroche s paintings in its day later in the 1830s delaroche exhibited the first of his major religious works his change of subject and the painting s austere manner were ill received by critics and after 1837 he stopped exhibiting his work altogether at the time of his death in 1856 he was painting a series of four scenes from the life of the virgin only one work from this series was completed the virgin contemplating the crown of

thorns
