a harrowing account of russia s occupation of the chernobyl and zaporizhia nuclear power plants and the dangers of nuclear power colliding with warfare on february 24 2022 the first day of russia s all out attack

on ukraine armored vehicles approached the chernobyl nuclear power plant in northern ukraine russian occupation of the plant which would last thirty five days had begun only the dedication and resolve of ukrainian personnel who were held hostage and worked shifts for weeks instead of days spared the world a new chernobyl accident they had to make life or death decisions on cooperation or resistance balancing loyalty to their families their homeland and innocent civilians in ukraine and beyond who would suffer the consequences of a nuclear accident should it occur the choices they made helped to save the world from another chernobyl disaster meanwhile a much more dangerous situation developed at the zaporizhia nuclear power plant in southern ukraine the largest such facility in europe following an attack there in march 2022 the russian military remains in control and ukrainian intelligence warns of the potential for nuclear terrorism we must face up to a new reality there has already been warfare at two nuclear sites and others are vulnerable in a book that reads like a thriller serhii plokhy a leading historian of the cold war and ukrainian history joins the stories of the russo ukrainian war and the chernobyl nuclear disaster to sound the alarm about the dangers of nuclear sites in a time of heightened conflict there are 440 such sites around the globe today and russia s aggression against ukraine will not be the last war in human history the story of the men and women of chornobyl is more than recent history it is also a glimpse into the not so distant future

why are the daughters and sons of far east prisoners of war still captivated by the stories of their fathers what is it that compels so many of the children after so many years to search for the details of their fathers captivity and how over the decades have they come to terms with their childhood memories in his book terry smyth treads new ground by examining the processes through which the children s memory practices came to be rooted in the pow experiences of their fathers by following a life course approach and a psychosocial methodology the book demonstrates how memory and trauma were worked into the social and cultural lives of individual children and explores how the relationship between their inner psychic worlds and subsequent memory practices unfolded against a challenging and morally ambivalent geopolitical background the book invites readers to engage with the author in a journey of exploration and self reflection with elements of auto ethnography adding richness to the text enlivened by interview extracts case study material and ethnographic observations this work opens up fresh and ambitious perspectives on the personal legacies of war

petit apartheid refers to the hidden informal types of racial bias that permeate various stages of the criminal justice system notably these informal practices are not included in most evaluations of racial discrimination this book offers the first detailed consideration of petit apartheid through a series of essays by criminal justice experts petit apartheid in the u s criminal justice system brings long overdue attention to the reality of how race affects criminal justice processing this volume makes a strong case that further research new policy and ultimately new practices are needed to stem the tide of racial bias in the criminal justice system the authors meticulous detailing of what petit apartheid looks like in action and what it sounds like in everyday exchanges promotes awareness a mandatory starting place for changing habits or
